(Coffee and Donuts available at Majors Flying Club starting at 8:00am)

Join Us for Lunch (Starting about 10:00am)

Hamburgers, Chips, and Drinks

Low Priced Fuel Available

This is not your typical fly-in experience. EAA Chapter 914 is going old school with its first annual Spring Gathering. Our goal is simple; provide an opportunity to get pilots, owners, and fellow aviation enthusiast together in one spot to swap stories, chow down on some food, and enjoy an aviation-filled afternoon. It doesn't matter if you own an antique, homebuilt, warbird, spam can, or don't even own a plane; we'd love to see you here.

We are pleased to have the support of many of our fellow airport users.

Raffle sponsored by Majors Flying Club
Fuel Available through Greenville Aviation
